

## CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

October 7, 2005

### **S. 1627**

#### **Delaware National Coastal Special Resources Study Act**

*As ordered reported by the Senate Committee on Energy and Natural Resources  
on September 28, 2005*

S. 1627 would direct the Secretary of the Interior to conduct a special resource study of sites in the coastal region of Delaware to determine their national significance and to evaluate the suitability and feasibility of including them in the National Park System. CBO estimates that carrying out the proposed study would cost about \$150,000 over the next year, assuming the availability of appropriated funds. Enacting S. 1627 would not affect direct spending or revenues.

S. 1627 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.
